#### SPECIAL WORKSHOP FRIEDMAN HAYEK CENTER

**Deirdre McCloskey**

On Monday, June 27 at 3 pm. we will be pleased to have a presentation by Dr. Deirdre McCloskey, entitled “The Impossibility of Economic Policy”.

This event is the first of the three special workshops of the Friedman Hayek Center this year, in which members of the International Advisory Council will be presenting.

The two next special editions will be held on July 18 and November 7, where Dr. Peter Boettke and Dr. Gerald O’Driscoll will present their work, respectively.

All the special editions of the internal Workshop of the Friedman Hayek Center will be held in online mode, we look forward to seeing you there!

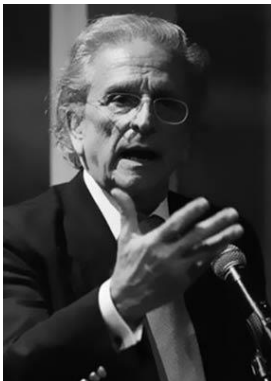

**Nicolás Cachanosky**

### **NEXT FRIEDMAN HAYEK CENTER WORKSHOP**

The cycle of internal workshops of the Friedman Hayek Center will continue on July 4 at 3 pm with a session in which Dr. Nicolás Cachanosky will present his new book “Dolarización, una solución para la Argentina” (Dollarization, a solution for Argentina). The book, co-authored with Emilio Ocampo, is available [here](#).

This edition of the workshop will be exclusively in online mode.

Closer to the date of the event we will send you an email indicating the link to access it. We thank you for participating in this exclusive activity for members of the Friedman Hayek Center.

**Alberto Benegas Lynch (h.)**

### **NEXT SEMINAR OF THE EDUCATIONAL FREEDOM CYCLE**

On Thursday, June 9 at 12.30 pm, Dr. Alberto Benegas Lynch (h.) will give a presentation entitled “¿Democracia o cleptocracia? Un debate para el momento” (Democracy or kleptocracy? A debate for the moment).

This presentation points out the fundamental ingredients of democracy and the risk of degrading it and turning it into a kleptocracy contrary to the long and fruitful liberal tradition.

**Alejandro Gómez**

### **NEXT SEMINAR OF THE HISTORY AND FREEDOM CYCLE**

On Wednesday, June 15 at 4 pm, Dr. Ricardo López Gottig will give the presentation: “Checoslovaquia, laboratorio de ingenierías sociales del siglo XX” (Czechoslovakia, social engineering laboratory of the 20th century”).

Czechoslovakia was created after the First World War and separated in 1993. There, in different periods, the democratic parliamentary regime was in force, but there was also an anti-Semitic and racial engineering was imposed with the Nazi invasion, and later the forty years of economic and social engineering with communism. Lessons that can be learned from a tragic and violent century in the center of Europe.

The cycle of History and Freedom seminars is organized and moderated by Dr. Alejandro Gómez, *fellow* of the Friedman Hayek Center.
