

CUNEF Universidad

Summer Schools 2026

CUNEF Universidad

Ranked Best Private University in Spain **Forbes** by 2023.

At CUNEF Universidad, you will find an environment that supports and encourages learning and professional development and is fully committed to enhancing your talent.

For 50 years, CUNEF has been guided by the specialization of its academic offerings; the excellence of its students, professors and researchers; and its international vocation. CUNEF Universidad will face the next 50 years guided by academic rigor to be a benchmark in teaching and research; by commitment, to become a driving force for research and innovation; by plurality, to integrate different points of view, promote transversality and collaboration in decision-making; and by equity, to guarantee equal opportunities through a system of scholarships and grants that will enable it to train professionals capable of transferring these values to their environment.

Madrid is a **vibrant city** with a rich cultural heritage and plenty of attractions to explore.

Prado Museum: One of the most renowned art museums in the world, housing an impressive collection of European art, including works by Velázquez, Goya, and El Greco.

Gran Vía: Madrid's main shopping street, lined with shops, theaters, and iconic buildings like the Metropolis Building and the Telefonica Building.

Plaza Mayor: A historic square dating back to the 17th century, known for its picturesque architecture, lively atmosphere, and street performers.

Royal Palace of Madrid: The official residence of the Spanish Royal Family, this stunning palace is a must-see for its grand architecture, opulent interiors and beautiful gardens.

And much more **to enjoy** this great city...
