About the Summer School Program

The emlyon Summer School Program is designed for international postgraduate (Master/Msc) and year 4 bachelor students looking to combine academic excellence with cultural immersion. Participants can select 1 to 2 modules during June and July, each worth 6 ECTS credits, allowing flexibility to meet their career and academic needs.

Why Join?

- **Academic Excellence:** Courses taught by world-class faculty at a top European business school
- **Language:** 100% taught in English.
- **Flexibility:** Choose between 4 modules.
- **6 ECTS credits** per module of 28 class hours
- **Global Networking:** Study alongside students from more than 30 nationalities.
- **Corporate Insights:** Company visits integrated into the program provide real-world business exposure.
- Modern city-center campus in vibrant Lyon.
