### Gain hands-on experience and pursue leadership opportunities

Simon Accounting Association  
Simon Data Analytics Club  
Master's Advisory Council  
Simon VISION Consulting

### 150-credit-hour compliant Accountancy program

Simon's MSA program educationally qualifies you to sit for the New York State CPA exam and for CPA licensure when you pass the exam.

### STEM-designated program

SCIENCE • TECHNOLOGY  
• ENGINEERING • MATH

Signals quantitative rigor and enables international students to work in the US for up to 36 months.

### Advanced Certificate of Achievement in *Tax or Forensic Accounting and Fraud Examination*

Specialize your degree with an optional certificate—no added time required. Learn to identify, understand, and evaluate tax planning opportunities or prepare to detect, investigate, and prevent financial fraud.

### ACC411 Applied Financial Statement Analysis with Data Analytics

Develops and sharpens your analytical ability to use financial information to perform various types of applied economic and financial analysis.

### Auraib Naveed '23S (MS)

MS in Accountancy  
Tax Associate, KPMG

"I chose Simon because the MSA is a CPA qualifying program, its academia incorporates STEM, and it has a diverse community, which creates a very comfortable culture among students and faculty."

### 90% of students receive merit-based scholarship support

### Internship Track Available
